

# ***PHYSIOTHERAPY HEALTH CAMP AT VILLAGE NAHARPUR***

---

A health camp was organized by Minda Group's NGO "**Samarth Jyoti**" in the village Naharpur on 13<sup>th</sup> Dec,18 in which SGT Hospital participated enormously. In the camp, faculty of Physiotherapy along with different faculties of the SGT hospital visited the village. Their doctors from the different departments gave the lecture on different health-related topics, like Dr Mohit Gulati (PT) from Physiotherapy enlightened the people about the physiotherapy and its role in day to day life. There we assessed the patients with various problems of day to day life. The patients were taught ergonomics and basic physiotherapy exercises for home treatment according to their condition. Those who required the special treatment were referred to the SGT Hospital to the respective departments of need. At last, the Minda Group facilitated all the faculty members with trophies as the participant in the health camp.
